I can't forget you when you're gone  
Your like a song  
That goes around in my head  
And how I regret  
It's been so long  
Oh what went wrong  
Could it be something I said  
Time, make it go faster  
Or just rewind  
To back when I'm wrapped in your arms

Ahoooh

Dum da di da  
Da da da dum  
Da da da dum  
Da da da dum da da di dum  
Da di dum dum  
Da da da dum  
Da da da dum  
Da da da dum la da da di da dum

All afternoon long  
It's with me  
The same song  
You left a light on  
Inside me  
My love

I can Remember  
The way that it felt  
To be holding on to you

Da dum da da di dum  
Ooh dum di dum

I can't forget you when you're gone  
Your like a song  
That goes around in my head  
And how I regret  
It's been so long  
Oh what went wrong

Could it be something I said  
Time, make it go faster  
Or just rewind  
To back when I'm wrapped in your arms

Time  
Make it go faster  
Or just decide  
To come back to my happy heart.

Ahooh oh
