You pull me apart  
You break me in half  
Every time you leave  
I'm a broken heart  
And I'll stay that way till I see you when  
You'll put me all back together again  
Woa-oh

All that I have  
And all that I am  
Would be nothing without you baby  
You are the one  
You are the only one  
That can make me whole  
Yea you make me whole  
But there's only one problem with this situation  
When you go  
I can't go on

You pull me apart  
You break me in half  
Every time you leave  
I'm a broken heart  
And I'll stay that way till I see you when  
You'll put me all back together again

'cause I'm like a world with no windows  
A bed with no pillows  
I'm a kiss with no kiss back  
I'm a sea with no fishes  
I am like spring with no flowers  
I'm a day with no hours  
I am incomplete  
I am incomplete

Mmm give me a sign  
That I will be fine  
When I see you walking away from me  
'cause you have a piece  
A piece of my heart  
That you take with you  
Yea you take with you

You pull me apart  
You break me in half  
Every time you leave  
I'm a broken heart  
And I'll stay that way till I see you when  
You'll put me all back together again

You pull me apart  
Oh you break me in half  
Every time you leave  
Well I am a broken heart  
And I'll stay that way till I see you when  
You will put me all back together again
