Oh my friends they said they saw you out
Hangin' with another man
Oh they said they saw you holdin' him tight
And out holdin' hands

I've begged you dear for you to be true
But I don't think you've heard a sound
You keep goin' on and pushin' those buttons
To keep me around

(Chorus)

Oh you can't imagine what you've put me through
With all of the lyin' and cheatin' you do
You know what you're doin' is tearin' me apart
You're bleeding my broken heart

Oh I know I've told you that I'm gonna go
But I don't have the nerve to leave
Even though you've taken all I've ever loved
Away from me

I remember the day that we said our vows
When you said that you loved me
But now you've gone and left me here to grieve in
In misery

(Chorus)

Oh I know that you're out there just having a time
But you can't imagine the pain you leave behind

(Chorus)

Oh you're bleeding my broken heart
