It tears me up when you turn me down, and, darlin', it's
such a shame
The way you play the part in your crazy lovin' game
First you treat me good, then you treat me bad, I know
you're takin' me for a ride
You'll set my heart to breakin' again and it kills me
every time

I'm workin' on a brand new heartache
Oh it's comin' on fine
I'll just sit and think about you and it kills me every
time
I couldn't count up all the floors I've walked or all the
times I lose my mind
I'm workin' on a brand new heartache and it kills me
every time

I know it's wrong to let you string me on, but, darlin',
what can I do?
I'm all wrapped up tryin' to tie you down 'cause I'm so
in love with you
And I know you know you're hurtin' me, I can't help
but wonder why
It tears me up when you turn me down and it kills me
every time

I'm workin' on a brand new heartache and it kills me
every time
