Diamond Light, Diamond Light
Diamond Light, Diamond Light
Believe me when I tell ya
I'm nostalgic for that good ol' atomic bomb
God knows I miss cross-dressin' Annie
Out there boogieing with Tyrannosaurus Bob
Now it's a cyberdelic world of jet boys and tiger girls
They sold us down the river
But the diamond light still shimmers from our hearts

Diamond Light - turn on, turn on your light
Diamond Light Boogie is sparklin' bright
Shine on, shine your light
Sunglass Sam kept you up all night
(Oh yeah) That's right
Bubblegum girls wear their pants too tight
Oh yeah! (Let's go!)
Let the 21st century roll!
Diamond Light, Diamond Light Boogie

They've hit the streets of fire
Shoved right out of doorways, trippin' out in drag
Here comes the Countess Connie Casserole
She's butterflyin' in expensive rags
And then they sniff themselves awake
While they do the titty shake
This century is ending
It's your last chance to dance to rock 'n' roll

Diamond Light - turn on, turn on your light
Diamond Light Boogie is sparklin' bright
Shine on, shine your light
Sunglass Sam kept you up all night
(Oh yeah) That's right
Bubblegum girls wear their pants too tight
Oh yeah! (Let's go!)
Let the 21st century roll!
Diamond Light, Diamond Light Boogie

So come on!

Shine on...shine on...

Diamond Light, Diamond Light...Boogie
