Honor was not just a word
To Knights of old who pledged their faith
In love over gold, love over gold
Now they laughed at his fantasy world
And maximized all the potentials to earn
The middle class was too blind to see
The true nobility of Don Quixote
Oh Oh Oh Don Quixote, fight your way into their hearts
Commit your hearts all
Oh Oh Oh Don Quixote, fight your way into their hearts
Commit your heart
How unreal are the dragons he slays
Is his coat of arms just an empty cliché
Colossal ignorance shared by the crowd
The brainless bigots cast an inhuman shroud
Many hearts and minds are going to waste
So many hearts and minds are going to waste
Hearts and minds are going to waste
So many hearts and minds
Liberal philosophies you wear like your clothes
The modern hypocrite he don't even know
Who could be proud of this blank generation
Who could be proud of this blank
I said, Oh Oh Oh Don Quixote, fight your way into their hearts
Commit your hearts all
Oh Oh Oh Don Quixote, fight your way into their hearts
Commit your heart
Sit there sit there watching
Oh Oh Oh Don Quixote, fight your way into their hearts
Commit your hearts all
Oh Oh Oh Don Quixote, fight your way into their hearts
Commit your heart
Sit there sit there watching
