It's a lie no blushin' for baby
She told me that ain't nice
You want a flower 'cause pleasure equals power
Don't you, Fraulein?
I want someone to face it To take me as I am
Don't wanna lie and tell you that I am a better man
Roses, candy, engagement rings
Why must we play these games?
Don't trust me baby 'cause my heart is stone
Don't cry your eyes out that just makes me cold
I am powered by instinct and I won't be told
Don't touch me sugar 'cause I'll take your gold
Love is nothin' much to me
Don't get your dander up
This one's rotten to the core
Come on
Midas in reverse I want to steal it
Come on
Midas, always seductive angel you will fall for me
Midas in reverse I want to feel it come on
Midas, always seductive angel

Why must we play these games
My flesh hammer's comin' down on you
I'll flunk you out of obedience school
An exterminating angel, my love is a bitch
My love gun's not a gentleman, trigger fingers itch
Love is nothin' much to me
Don't get your dander up
This one's rotten to the core
Come on
Midas in reverse I want to steal it come on
Midas always seductive angel you will fall for me
Midas in reverse I want to feel it come on
Midas, always seductive angel
You will fall
