Aw just get hip to the rhythm, and let the rhythm take  
you away  
Don't get bored or excited, just look at ol' Dean Martin's  
face  
It's an easy breezy motion, that's the way to make it all  
good  
And you'll be a mighty swinger, just the same as Tiger  
Woods  
I'm talkin' 'bout the big swing  
The whole enchilada  
The big swing  
Do ya get me? Understood?  
I'm talkin' 'bout the big swing  
The whole enchilada  
The big swing  
Aw last I checked it all, in fact, was good

Do you wanna keep 'em straight when you hit 'em?  
And put your big drive in the fairway?  
Knock 'em flat when you tip your hat  
To the chippies when they look blasÃ©  
Nothin's too outrageous, and you got me in a real good  
mood  
'Cause I'm a swanky New York Yankee, with a can-do  
attitude!

I'm talkin' 'bout the big swing  
The whole enchilada  
The big swing  
Do ya get me? Understood?  
I'm talkin' 'bout the big swing  
The whole enchilada  
The big swing  
Aw last I checked it all, in fact, was good  
Aw swing it!

Back to back  
Side to side  
Swing attack, mama  
Glide, brother, glide  
Back to back  
Side to side

Swing attack!

I'm talkin' 'bout the big swing  
The whole enchilada  
The big swing  
Do ya get me? Understood?  
I'm talkin' 'bout the big swing  
The whole enchilada  
The big swing  
Aw last I checked it all, in fact  
Last I checked it all, in fact  
Last I checked it all, in fact, was good

Swing the damn club...
