[Verse 1]

Mommy's in the closet finding God
I'm on my knees finding you
Bring myself just low enough
To do what you want me to do

[Chorus]

I don't care
What you have to say
I'd rather fail
And do it my way

[Verse 2]

False smiles so no one can see
Everything they hate is every part of me

I just want to live my life
They just want to hear they're right

[Chorus]

Property of Goatfucker (Repeat x5)

[Chorus]
