Verse:

Mommy's in the closet finding God  
I'm on my knees finding you  
Bring myself just low enough  
To do what you want me to do

Chorus:

I don't care  
What you have to say  
I'd rather fail  
And do it my way

Verse:

False smiles so no one can see  
Everything they hate is every part of me  
I just want to live my life  
They just want to hear they're right

Chorus:

I don't care  
What you have to say  
I'd rather fail  
And do it my way

Musical Bridge:

Double Chorus:

I don't care  
What you have to say  
I'd rather fail  
And do it my way
