Verse. 1

Outside on the streets
The game has become so tough
In order to survive
You got to start to play rough
Going gets tough
Sometimes you feel like giving up
Yeah I know it's not easy
What in this life ever is?
You only learn to live with the squeeze
It's not easy, oh no, no, no

Troubles come at you
From each and every angle
At the end of a string
Sometimes you feel you're being dangled
Nowhere to hide and
Some days you're contemplating suicide
And yeah I know it's not easy
What in this life ever is?
You only learn to live with the squeeze
It's not easy, oh no, no, no

Chorus

Standing in the line of fire
Got to learn to live with it
Standing in the line of fire
Learn to take it all bit by bit
Bit by bit, by bit, by bit, by bit

Repeat verse. 1

I know you're a fighter
And that you are here to stay
You'll be standing firm
When cowards have ran away
And just like a hero
You'll stand in the line of fire
'Cause yeah I know it's not easy
What in this life ever is?
You only learn to live with the squeeze
It's not easy, oh no. no, no

Chorus
