Baby can't keep on runnin'
All I want you to do is to feel with me yeah
We both are hurtin'
And it's gonna take a little time
To heal all the wounds and save our family

All I ever wanted
All I ever needed
All I ever wanted was love

Remember kissin' in the moonlight
Or how we held each other all night
All I ever wanted was love
Aah, aaaw

D-d-darlin', darlin', darlin'
Don't you want to feel good inside?
It seems I've forgotten how it feels to be
Look up to the stars
And ask the heavens
To show you the truth
So that you can be free
Eooow

All I ever wanted
All I ever needed
All I ever wanted was love

Remember kissin' in the moonlight
Or how we held each other all night
All we ever wanted was love

Tell me
What's the answer?
It's gotten so cloudy I just can't see
Ooow

But you got your life and I got mine
Are we even?
When I know I want you
And baby you want me
Ooow

All I ever wanted
All I ever needed
All I ever wanted was love

Remember kissing in the moonlight?
Or how we held each other all night
All we ever wanted was love
Yeah

All I ever wanted
All I ever needed
All I ever wanted was love
Aaaaooow

Remember kissin' in the moonlight?
Or how we held each other all night
All I ever wanted was love
Yeah

Wanted, needed
All I ever wanted was love
