Is it the way that you feel when I'm kissing on you
Or is it the soul I can see in your eyes
The clothes that you wear or the smell of your hair
Or is it the way I can't sleep when you're not there

All my life, I've been waiting for you
All my life, I've been waiting for you

Is it the way that you feel deep inside
Or is it the way that I feel so alive
Your star and your flair are beyond compare
Or is it the way that we feel when we're on fire

All my life, I've been waiting for you
All my life, oh, I've been waiting for you
Every night, oh, I've been waiting for you

All my life, I've been waiting for you
All my life, I've been waiting for you
All my life, I've been waiting for you
All my life, I've been waiting for you

All my life, oh I, I've been waiting for you
All my life I've been waiting for you

I've been waiting for you
I've been waiting for you
I've been waiting for you
I've been waiting for you
I've been waiting for you
