Boongie Drop

[DJ Military Intro]

[Lenny:]

Roll sister, roll on it  
Don't let the music stop  
Girl go on make that Boongie drop  
Roll sister, roll on it

Roll sister, roll on it  
Don't let the music stop  
Girl go on make that Boongie drop  
Roll sister, roll on it

Red light, speaker's pumping  
Flesh to flesh, grinding bumping  
Hot pants, green and yellow  
Brown thighs, feeling mellow  
The beat of the ghetto  
Cornrows, weaves and afros  
The divas from Nassau  
Are out to show tonight

Roll sister, roll on it  
Don't let the music stop  
Girl go on make that Boongie drop  
Roll sister, roll on it

Roll sister, roll on it  
Don't let the music stop  
Girl go on make that Boongie drop  
Roll sister, roll on it

[DJ Military:]

Girl make that Boongie drop  
Girl make that Boongie drop  
Girl make that Boongie drop  
Girl make that Boongie drop

[Lenny:]

Black heat fills the dance hall  
Lovers rock the back wall  
Junglers, bootleg labels  
High heels on the tables  
Bare feet on the dirt floor

No one cares if you're poor  
At three locking the door  
Ain't coming home tonight

Roll sister, roll on it  
Don't let the music stop  
Girl go on make that Boongie drop  
Roll sister, roll on it

Roll sister, roll on it  
Don't let the music stop  
Girl go on make that Boongie drop  
Roll sister, roll on it
