My life is perfect, because I accept it as it is
The sunshine is a-shining, because it is what it is
What a beautiful feeling it's bringing in
All the birds in the sky are singing

Eleutheria
The fire is burning
Eleutheria
The tables are turning

A new day is dawning, because it is time for a change
With new consciousness forming, there comes a new
day
Oh we got to, got to keep on trying
When the children are cold and alone and are crying
You got to understand

Eleutheria
The bells are ringing
Eleutheria
The people are singing
Eleutheria
People are yearning
Eleutheria
This world keeps on turning
Turning

What a beautiful feeling it's bringing in
All the birds in the sky are singing
You got to understand

Eleutheria
The fire is burning
Eleutheria
The tables are turning
Eleutheria
The bells are ringing

The people keep singing
The fire is burning
The tables are turning
Got to keep on, keep on, keeping on
