I wish that I could fly
Into the sky
So very high
Just like a dragonfly

I'd fly above the trees
Over the seas
In all degrees
To anywhere I please

Oh, I want to get away
I want to fly away
Yea, yea, yea

I want to get away
I want to fly away
Yea, yea, yea

Let's go and see the stars
The Milky Way or even Mars
Where it could just be ours

Let's fade into the sun
Let your spirit fly
Where we are one
Just for a little fun
Oh, oh, oh yea

I want to get away
I want to fly away
Yea, yea, yea

I want to get away
I want to fly away
Yea, yea, yea

I got to get away
Girl I got to get away
Oh, oh, oh yea

I want to get away
I want to fly away

Yea, yea, yea
(With you)
Oh yeah

I want to get away
I want to fly away
Yea, yea, yea
(With you)
I got to get away

I want to get away
I want to get away
I want to get away
I want to get away
Yea
I want to get away
I want to fly away
Yea, yea, yea
(With you)
Girl I got to get away

I want to get away
I want to get away
I want to get away
I want to get away
Yea
I want to get away
I want to fly away
Yea, yea, yea
(With you)
Yea, yea, yea, yea, yea
