God is love
Through all your trials and tribulations
God is love
He'll get you through all situations
God is love
And if you are ready, He always is ready for you

(God loves everyone)
That's why He gave His Son, oh yeah
And you should feel His pain
Yet He gave us everythin'

God is love
He'll get you through your pain and sorrow
God is love
He's comin' back maybe tomorrow
God is love
And if you are ready, He's gonna be ready for you

(God loves everyone)
That's why He gave His Son, oh yeah
And you should feel His pain
Yet He gave us everythin'

And though much time has passed
His words and promises always last
And I am here to say
That He loves each one of us in every way

God is love
He makes the rain that makes the flowers
God is love
And so amazing are His powers
God is love
And if you are ready, He's gonna be ready for you

(God loves everyone)
That's why He gave His Son, oh yeah
And you should feel His pain
Yet He gave us everythin'

Yet He gave us everythin'

Yet He gave us everythin'
