We need a leader  
We can't seem to help ourselves  
Fighting and lying  
We can't seem to let it go  
We live each day  
On a small piece of borrowed time  
Why aren't we trying  
To enjoy this crazy ride

What are we gonna do about it?

God save us all  
God save us all  
God save us all  
If we really try  
Maybe we can make it

We need a teacher  
We must learn to see the light  
Let's get together  
This world needs us to do right  
There's too much poverty, sickness  
There's pain and strife  
Why aren't we trying  
To improve this thing called life

What are we gonna do about it?

God save us all  
God save us all  
God save us all  
If we really try  
Maybe we can make it

God save us all  
God save us all  
God save us all  
If we really try  
Maybe we can make it

God save us all  
God save us all

God, God, God  
God save us all

God save us all  
God save us all  
God save us all  
If we really try  
Maybe we can make it  
God save us all
