Have you ever been
Have you ever been
To Electric Ladyland?
The magic carpet waits
For you
So don't be late
I wanna show you
The different emotions
I wanna run to
The sounds and motions, heeey
Electric woman waits for you and me
So it's time we take a ride
We can cast all of your hang-ups over the seaside
While we fly right over the love filled sea
Look up ahead
I see the loveland
Soon you'll understand.
Make love, make love, make love, make love.
I wanna show you
The angels will spread their wings, yeah
I wanna run to
Good and evil lay side by side
While electric love penetrates the sky
I wanna show you
Lord, Lord, Lord I wanna show you
I wanna show you
Haaa, haaa , haaa
I wanna show you
I wanna show you
Show you
Oh ! I wanna show you
You gotta believe i wanna show
I wanna show you
I wanna show you
Ah yeah, I wanna show you
I wanna show you...show you!
