In this garden
this lovely garden
i build a temple of love
walk with the father
won't be a bother
to touch the earth as it was

we'll farm the land each day
and in the sunshine we will play
glory glory for the day he came
our tears had gone away
we'll make love in the shade
and in the ocean we will bathe
little fishies in the sea
say hooray

i build this garden for us

in this garden
our children will grow
darling this is a must
we'll be so happy
our little family
so full of love and trust

and darling when we're old
we'll close the gates and lock the door
our love will never fade away
when it's pure it's forever last
and darling when you're cold
i'll hold you tight and keep you warm
little darlin' gonna make it through the storm
you'll never be alone

i build this garden for us

in this garden
they'll be no war
no racial prejudice
you'll be my brother
of any color
you'll just be okay with us

we'll love each day in peace
in hope that we will one day reach
the rest of the world
when they are ready to be taught
the kingdom will come
thy will be done
on earth as it is in heaven

i build this garden
i build this garden for us

i build this garden for us
