Sometimes I don't feel alive  
Why do I keep running from the truth?  
I can see it in my eyes  
where's the happiness that I once knew?  
I am so tired of this place  
I want to hear your voice  
I want to see your face  
I can't escape the way I feel about you  
I don't want to know another day without you  
Wont you call my name 'cause I can't be  
without you

I keep my head to the sky  
Waiting for the day that you'll come through  
I am free within my mind  
'cause I know it is coming soon  
I'm so tired of this place  
I want to hear your voice  
I want to see your face  
I can't escape the way I feel about you  
I don't want to know another day without you  
won't you call my name  
'cause I can't be without you.
