When my memory starts to wander
I sit back and I ponder
How the whole world's gone asunder
I feel the rain and I hear the thunder
I was bare and I was lost, yea
But You were there and now I'm born, yea

You are the force and strength
In my life today

Ah, ah
And oh how I thank You Father
For givin' us all over and under
You're a mystery, You're a wonder
I always knew since I was younger

I think about the way that You make it right
So full of love and sacrifice
I say yea, yea, yea, yea, yea
But You were right and I was wrong, again
'Cause I was weak but You were strong, Ohh hey hey
yea

You are the force and strength
In my life today

Ahha, ahha
And now that the darkness has faded
I'm no longer blinded, I can see, yea
And I don't have to wait no longer, aaa
'Cause it's all about bein' free
Every day, every way
I'm gonna get myself together
Every day, any way, oh
Naa, na, na, naa, na, na, naa, na, na, naa, na
Naa, na, na, naa, na, na, naa, na, na, naa, na

You are the force and strength
In my life today, yea
You are the force and strength
In my life today, yea

You are the force, yea
And You are the rain, uhh
You are the force and strength
In my life today, yea

You are the force and strength
In my life today
(Naa, na, na, naa, na, na, naa, na, na, naa, na)
You are the force baby
And You are the reign
(Naa, na, na, naa, na, na, naa, na, na, naa, na)
(Naa, na, na, naa, na, na, naa, na, na, naa, na)
You make me try to do right
And throw away my evil ways
(Naa, na, na, naa, na, na, naa, na, na, naa, na)
Yea, yea, yea
(Naa, na, na, naa, na, na, naa, na, na, naa, na)
Oh yea, come on one more time
Take me high, oh, oh, oh
