You came to me like a dream
How would I know it was a scheme
To get me to you

Your eyes burned like fire
Through my heart
Although we were life times apart

Making mistakes was my game
Your life, your life I tried to rearrange
But now I know a better way

My, my, my, my
My precious love
My, my, my, my
My precious love

Now you're a woman, you've got a child
And all those days, those days of being wild
Are gone with the past

But now baby, you still ain't got no home
All those endless nights you've had to roam
But I know a better way

My, my, my, my
My precious love
My, my, my, my
My precious love

Yeah yeah yeah
My, my, my, my
My precious love
My, my, my, my
My precious love

Hey hey hey
My, my, my, my, my, my
My precious love
My, my, my, my
My precious love

Yeah yeah yeah yeah yeah
