Ooh, yeah

You think you're on top of the world
But you know it's really over
Running round with diamond rings
And coke spoons that are overflowing

Rock and roll is dead

But all the money in the world
Can't buy you from the place you're going to, ooh yeah

Rock and roll is dead
Rock and roll is dead
Rock and roll is dead

You can't even sing or play an instrument
So you just scream instead, ooh yeah
You're living for an image
So you got five hundred women in your bed, ooh yeah

Rock and roll is dead

But it's real hard to be yourself
When you're living with those demons in your head,
ooh yeah

Rock and roll is dead
Rock and roll is dead
Rock and roll is dead

Rock and roll is dead
Rock and roll is dead
Rock and roll is dead
Rock and roll is dead

Rock and roll is dead
Rock and roll is dead
Rock and roll is dead
