Yeah,

Walks like a man,
You think she's older.
She understands,
She ain't no joker.
She's got the glam,
A rock n' roller.

She's got the plan,
Moves like a soldier.
Don't give a damn,
She's gettin' over.
She knows she can,
Like casanova.

She knows that she's got the look
And she's gonna play.
She knows that she's got the hook
And ya gonna pay.

She got an attitude
Rock star city life! (x2)

She's underage,
A real lolita.
She loves the stage,
La senorita.
Inside a cage,
You'll find a cheetah.

She's all the rage,
A double feature!
She got that thing
Take the bible from the preacher!
You'll need a sage,
To find that creature!

She knows that she's got the look
And she's gonna play
She knows that she's got the hook
And ya gonna pay

She got an attitude
Rock star city life! (x2)

She got an attitude (ooh oh oh)
Rock star city life! (x2)

(Guitar solo)

She knows that she's got the look
And she's gonna play
She knows that she's got the hook
And ya gonna pay

She got an attitude
Rock star city life! (x2)

She got an attitude (ooh oh oh)
Rock star city life! (x2)
