More of guitar, need more track
Bass, more guitar

Thinking positivity, yea
If you wanna be with me, yea
I'll take you to the promised land
Come on baby take my hand

Stop draggin' around
Stop draggin' around
Stop draggin' around
Stop draggin' around
(Yea, yea, yea)
Aah ooh

Higher, higher and higher we get
I'll freak you like a sexolette
You say you wanna be my wife
I'll take you to another life, come on

Stop draggin' around
Stop draggin' around
Stop draggin' around
Stop draggin' around

Come on baby
Take my hand
I'll take you
To the promised land
(Yea)

Stop draggin' around
Stop draggin' around
Stop draggin' around
Stop draggin' around

Stop draggin'
Stop draggin' around
Stop draggin' around
(Come on baby)
Stop draggin' around
Stop draggin' around

Stop draggin' around
