Hey hound dog man
Where you been now, where you been
I knew that you'd be back
It was too good to ever end

When I was a little boy
Records were my pride and joy
Hey hound dog man
My old friend, play it again

I can still hear that girl scream
You know it felt so good to me
They still lookin' for someone
To show them what they're lives could be

Everyone still looks to you
They still don't know what they want to do
Hey hound dog man
My old friend, play it again
Hey hound dog man
My old friend, play it again

Do you think about James Dean
Sammy Cooke and? Queen
Do ron, do ron, do ron
Marilyn Monroe and?

Do you think about these words
Do you still have your Thunderbird
Hey hound dog man
My old friend, play it again
Hey hound dog man
My old friend, play it again
