God's mercy flows like a river wide,
And healing comes from his hands.
Suffering children are safe in his arms,
There's no God like you!

Chorus:

There's no God like You,
No one else can touch my heart like you do.
I could search for all eternity long, and find
There's no God like you!

God's grace abounds when our sin is great,
Forgives us when we confess.
Penitent sinners find pardon through Christ,
There's no God like you!

God's love is the motive that led him to come,
And take our place on the cross.
If we receive him he makes us his child,
There's no God like you!

God's power is matchless; he rose from the dead;
And he has no foe that can stand.
He'll give us victory o're death and the grave,
There's no God like you!

Submitter's comments:Â

I have added three verses to extol more of God's attributes. The original speaks only of his mercy. This great song deserved to be expanded upon. "The world could not contain the books"! John 21.25
