Oh Donna, Oh Donna, I, I need you
Oh Donna, I love you
Please stay in my heart
(Don't believe him, he's lying)

Wohhhh, Donna
(Don't believe him, he's lying)
Oh Donna, I've never been untrue
(Don't believe him, he's lying)
I've never loved anyone but you
(Don't believe him, he's lying)
Please stay in my heart
(He told us the same thing too)

Oh, let them talk if they want to
No matter what they say or do
They can never make me change
The way I feel about you

Oh Donna
(Don't believe him, he's lying)
Donna, I need you
(Don't believe him, he's lying)
Donna, I love you
(Don't believe him, he's lying)
Please stay in my heart
(He told us the same thing too)
Please stay in my heart
