Girl, you know I, I, I, I love you  
No matter what you do  
And I hope you understand me  
Every word I say is true  
'Cause I love you

Baby, I'm thinkin' of you  
Tryin' to be more of a man for you  
And I don't have much riches  
But we gonna see it through  
'Cause I love you

Ho  
Ho, oh, oh, oh, oh, oh, oh, oh  
Ho, oh, oh, oh, oh, oh, oh, oh, oh, oh

Some men need lots of women  
For their passions to feel  
But I want only you, girl  
If it's in, if it's in, if it's in God's will  
'Cause I, 'cause I love you

I, I, I love you, baby  
With all my heart and soul  
Oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh

I love you  
I need you  
I want you  
I need you

Oh, oh, oh, oh, oh, oh, oh, oh, oh your love makes me  
grow stronger  
It keeps goin' on, oh, baby  
I'm glad I found you  
I just lo, oh, oh, oh, oh, oh, oh, ove to be around you,  
oh, baby  
You've been so good to me  
Oh, baby  
Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, ooooh

Hmm, hmm  
Hmm...hmm...mmm...  
[Lenny talking]  
You know  
One time things got so bad until  
I had to go to one of my friends and talk to him  
And I told him, I said, "You know  
I'm having problems with the woman that I love  
It seems that I call her on the phone and I just can't get  
her to answer  
And then I went to her house and I saw a car parked in  
the driveway  
I knocked on the door, but still my knocks went  
unanswered  
And then I went home and I-I watched television until  
television went off  
And then I played my records until I just didn't want to  
hear them anymore  
And finally I went to bed, but I found myself waking up  
a few hours later  
And the tears were running down my face  
And my friend told me, he said, "Lenny,  
You just oughta forget about her"  
But I told my friend, I said, "You know  
Maybe you've never been in love like I've been in love  
And maybe you've never felt the things that I've felt"  
But this is what I told my friend  
I said, "You know, sometimes you get lonely  
You get lonely, you get lonely"

Oh, oh, oh, oh, oh, oh, oh, oh  
And I cried, I cryiiiiied  
Oh-ho, oh-ho, oh-ho, oh-ho, oh-ho, oh-ho, oh, oh, oh

And the tears would fill up in the wells  
In the wells of my eyes, ahh baby  
And then it got so bad, it got so bad  
Till one time I thought I'd roll myself up in a big ol' ball  
and die  
And then I met you, darlin'  
And you smiled at me  
Oh, oh, it was such a pretty smile, yes, it was  
And you reached out your hand  
You helped me (Helped), you helped me (Helped me),  
you helped, oh  
I'm glad, baby, I'm glad, baby  
Oh, oh, oh, baby, ey, ey, ey  
I wanna believe you, baby  
I wanna regrieve you, baby  
I'm gonna love you, oh, oh, oh, baby

I'm glad, I'm glad, baby  
Oh, oh, yeah, baby, oh, oh, oh  
I love you, I love you  
I love you, I love you, oh  
I love you, I love you  
I love you, I love you  
I love you, I love you  
I love you
