I may wish on a starry night  
And then you danced into my life  
A lovely girl from a story book  
I fell in love with just one look  
Midnight girl

Your eyes were filled with such mystery (mystery)  
We held each other tenderly  
And just before you spoke your name (spoke your  
name)  
The clock struck twelve and you ran away

Midnight girl  
Was it all a dream  
Kissing and holding you next to me  
Midnight girl  
The story just can't end  
Til you're back in my arms again  
Come on in (come on in)

I've got your silver shoes (silver shoes)  
In my hand  
A broken heart and shattered plans  
But if it takes til the end of time (end of time)  
I'll find you girl and I'll make you mine

Chorus

(Come on in, come on in)  
(Come on in, come on in)

Ah, ah, ah, ah, ah  
Midnight girl (midnight girl)  
Was it all a dream  
Kissing and holding you next to me  
Midnight girl (oh, midnight)  
The story just can't end  
Til you're back in my arm again  
Come on in (oh midnight)

Oh, oh, oh, oh  
Midnight girl (kissing and holding you)

Oh, yeah  
Midnight girl  
Oh, oh  
I've got your dancing shoes  
Oh, yeah  
Midnight girl (oh, midnight)  
Oh (midnight girl)

No one can feel but you  
Oh, Yeah  
Oh (oh, midnight)

It's a crowded place  
But where's your lovely face  
All the flashing lights  
But it's a lonely night, oh  
The music plays and plays  
But you've gone away

Midnight girl (oh, midnight)  
Oh (midnight girl)  
I've got your dancing shoes  
Midnight girl (oh, midnight)  
Uh (midnight girl)  
No one can feel but you  
Oh, yeah baby

It's a crowded place  
But where's your lovely face  
All the flashing lights  
But it's a lonely night, oh  
The music plays and plays  
But you've gone away

Midnight girl, (midnight girl) oh (midnight girl)  
I've got your dancing shoes  
Midnight girl (midnight, midnight girl) oh oh  
No one can feel but you, oh yeah

(Midnight, midnight girl)

Um, um, come on back baby (midnight, midnight girl)  
Oh, yeah  
(I've got your dancing shoes) midnight girl  
Oh, oh  
Was it all a dream (midnight, midnight girl)  
Oh, yeah  
Midnight girl, oh yeah  
Was it as it seems (midnight, midnight girl)  
Oh, yeah  
Midnight girl (I've got your dancing shoes)

Oh  
I've got your dancing shoes (midnight, midnight girl)  
Midnight girl, oh, oh  
No one can feel but you
