Ooh child things are gonna be easier
Ooh child things'll get brighter
Ooh child things are gonna be easier
Ooh child things'll get brighter

Someday we'll put it together and we'll get it undone
Someday when your head is much lighter
Someday we'll walk in the rays of the beautiful sun
Someday when the world is much brighter

Ooh child things are gonna be easier
Ooh child things'll get brighter
Ooh child things are gonna be easier
Ooh child things'll get brighter

Someday, we'll put it together and we'll get it undone
Someday when your head is much lighter
Someday we'll walk in the rays of the beautiful sun
Someday when the world is much brighter

Someday, we'll put it together and we'll get it undone
Someday when your head is much lighter
Someday we'll walk in the rays of the beautiful sun
Someday when the world is much brighter

Ooh child things are gonna be easier
Ooh child things'll get brighter
Ooh child things are gonna be easier
Ooh child things'll get brighter

And you just [Incomprehensible] answer
Is gonna be what you wanted to be
'Cause I love you, ooh child
