I, I'm making love
Star love in the night
I'm making love
Star love in the night

Come with me tonight
All across the universe
We will sail for the skies

Meet behind Mars
We will hold each other
As we sail for the stars

On a cosmic bling
We will kiss in Saturn's ring
Make the Milky Way
Blush to see the sight
I'm making star love in the night

We're making love now
Star love in the night
I'm making love now now
Star love in the night

Why don't you
Take me in your arms and rocket me, yeah
Take me in your arms and rocket me, yeah
Take me in your arms and rocket me, yeah
Take me in your arms and rocket me, yeah
Take me in your arms and rocket me, yeah
Take me in your arms and rocket me, yeah
Take me in your arms and rocket me, baby
Take me in your arms and rocket me

Come with me
All across the universe
We will sail for the skies

Meet behind Mars
We will hold each other
As we sail for the stars

On a cosmic bling
We will kiss in Saturn's ring
Make the Milky Way
Blush to see the sight
I'm making star love in the night

I'm making love
Star love in the night
I'm making love, love now
Star love in the night, oh

Why don't you take me
In your arms and rocket me
Why don't you take me
In your arms and rocket me

Why don't you take me
In your arms and rocket me
Why don't you take me
In your arms and rocket me

Why don't you take me
In your arms and rocket me
Take me in your arms and rocket me

Why don't you take me
In your arms and rocket me
Why don't you take me
In your arms and rocket me

'Cause I'm making love now
Star love in the night
Whoa, ho, ho, I'm making love
Star love in the night

Whoa, ho, ho
I said I'm making love now
Star love in the night
Whoa, ho, ho
I'm making love, love now
Star love in the night, oh

Why don't you
Why don't you
Why don't you, oh, yeah
Why don't you, you, you
You, you, you, you
You, ah ha ha, you...
You, you, you, you, you, you

'Cause I'm making love now

Said I'm making love now
Oh, yeah, yeah

I'm making love now
I'm making love now
I'm making love now
I'm making love now

Star love in the night
I'm making star love in the night
I'm making star love in the night
I'm making star love in the night

Why don't you
Why don't you
