I never worry I never fret  
'cause when I got you on my side you can bet  
I got it all I'm standing so tall  
And when I hold you in my arms  
You know I'll never let you fall  
When trouble comes to call

I will give you everything I've got  
Don't you know  
You know that I will love you a lot  
Never let you go  
Don't need nobody  
Want nobody but you

Time's gonna come  
When you're put to the test  
And you and me girl  
We won't be like the rest  
We'll see it through  
Just me and you  
And when they ask us  
We will say it's been tried and it's still true  
We're still try'n' to prove

I will give you everything I've got  
Don't you know  
You know that I will love you a lot  
Never let you go  
Don't need nobody  
Want nobody but you

I will give you everything I've got  
Ev'rything I got  
You know that I would love you  
Love you a lot  
Don't need nobody  
Need no one but you  
No one but you

I will give you everything I've got  
Ev'rything I got  
You know that I would love you  
Love you a lot  
Don't need nobody  
Need no one but you  
No one but you
