How much love do you need
Before you give your love to me?
How much time before it grows
How much love
I wanna know.
What can I do
What can I say?
The last thing I want is to drive you away.
How much love does it take
How much love
For heaven's sake?
How much love
How much love
Do I rush right in or do I hesitate
How much love
How much love
How much love.

Am I trying too hard
Give me some kind of clue.
There must be a way to get through to you.
Shall I come on strong or do I hesitate
Do I rush right in or do I wait.
How much love
How much love

...

I got so much love
Don't know where to begin
I'm pleading with you
Babe
You gotta let me in.
How much love
How much love

...

I got so much love
Don't know where to begin

...

How much love do you need
Before you give yourself to me
Shall I come on strong or do I hesitate
Do I rush right in or do I wait

How much love

How much love
