At my door the leaves are falling  
A cold wild wind will come  
Sweethearts walk by together  
And I'd still miss someone

Oh, I never got over those blues eyes  
I see them everywhere  
How I miss those arms that held me  
When all the love was there

I go out on a party  
And look for a little fun  
But I find a darkened corner  
And I still miss someone

Oh, I never got over those blues eyes  
I see them everywhere  
How I miss those arms that held me  
When all the love was there

I wonder if she's sorry  
For leavin' what we'd begun  
There's someone for me somewhere  
And I still miss someone

Oh, I never got over those blues eyes  
I see them everywhere  
How I miss those arms that held me  
When all the love was there
