Leo Kottke
"Oh Girl"

Writers: Eugene Record

Oh girl
I'd be in trouble if you left me now
'cos I don't know where
To look for love
I just don't know how
Oh girl
How I depend on you
To give me love when I need it
Right on time
You would always be there

All my friends call me a fool
They say
Let the woman take care of you
So I
Try to be hip and think like the crowd
But not even the crowd
Will help me now

Oh girl
Tell me what am I gonna do?
'cos I know I got
Such a guilty face
Girl, I feel so out of place

All my friends call me a fool
They say
The woman should be taking
Care of you
So I
Try to be hip and think like the crowd
But not even the crowd
Will help me now

Oh girl
I guess I'll never know
I could save myself
A lot of useless tears
Girl, I've gotta get away from here

Oh girl
Pain will double if you leave me now
'cos I don't know where
To look for love
And I just don't know how

Oh girl
Pain will double if you leave me now
'cos I don't know where
To look for love
And I just don't know how
