In the morning light
Half awake and half asleep
Have you ever lay there thinking
Was it all in a dream

But you reach out and she's there
Every moment everywhere
Have you ever been in love

Have you ever felt
How far a heart can fall
Have you ever stayed up waiting
For a telephone call

Just to hear her say hello
'Cos you miss each other so
Have you ever been in love

Have there been times to laugh
And times you really wanna cry
Finding reasons to believe her
'Cos she'd die a little if she lied

And when in times of doubt
Have you ever tried to work it out
But still she leaves you wondering
What it's all about

When she's far away
Did you ever felt the need to stray
And tried and then discovered
It just doesn't pay

And with her you can be true
For with her you can be you
Have you ever been in love

Have there been times to laugh
And times you really wanna cry
Finding reasons to believe her
'Cos she'd die a little if she lied

And when in times of doubt
Have you ever tried to work it out
But still she leaves you wondering
What it's all about

And when in times of doubt
Have you ever tried to work it out
Ah, still she leaves you wondering
What it's all about

And when the night comes down
Can you call this house a home
Do you dream you're still together
And wake up alone

Have you ever been in love
The way that I'm in love
Have you ever been in love
