Writers: Leo Sayer & Alan Tarney

The first time I met you
I knew that I was gonna fall
You took me you shook me
You put me higher on the wall

But I love it you're my favorite
Won't change it for anything at all
I can't do I won't do won't undo
Anything at all 'bout you

Your walk and your look and
Your smile and little things you do
Promises of kisses you wish is
Never to be blue

Oh I love it you're my favorite
It don't get better than with you
I can't be don't wanna be
I can't see anybody else but you

There are no attractions
That compare with you
Great satisfaction
Of being near you
Ain't anything at all
Ain't anything at all
Ain't anything at all like you
No there's nothing there at all
Nothing there at all
Nothing there at all like you

Yeah the little things you do
Yeah everybody crazy crazy 'bout you

Thee can't be there won't be
How could there be anybody like you
I love it you're my favorite
And I won't let anybody in but you
Don't need no will power
To be true to you

There's no one can think of
Could place above you
Not anyone at all
Not anyone at all
Not anyone at all but you
No not anyone at all
Not anyone at all
Not anyone at all like you

I love it you're my favorite
And it don't get better than with you
I can't see I can't be
With anybody else but you
I love it you're my favorite
Won't change it for anything at all
I can't do I won't do
Won't undo anything at all 'bout you
