I think of this most every night
How hard it is just to get it all right
I'm lookin' here and I'm lookin' there
I see a heart broken, pieces everywhere

Wouldn't you try and wouldn't you know?
You try so hard still to let it all go
Too much trouble and too much pain
I think I'm gonna have that luck again, yeah yeah

What'll I do if you walk away?
What'll I do if you walk away?
Well I haven't a chance
No I haven't a chance

Once in a while I get this feeling
Now and again I'm all in a daze
Time after time I ask myself this
Will you walk away?
Once in a while I get this feeling

A crazy notion, a careless thought
I start to worry and time gets short
We'll think if this my dear young one
The time to act has just begun

What'll I do if you walk away?
What'll I do if you walk away?
Well I haven't a chance
No I haven't a chance

Once in a while I get this feeling
Now and again I'm all in a daze
Time after time I ask myself this
Will you walk away?
Once in a while I get this feeling, ooh

Once in a while I get this feeling
Now and again I'm all in a daze
Time after time I ask myself this
Will you walk away?

Once in a while I get this feeling
Now and again I'm all in a daze
Time after time I ask myself this
Will you walk away?

Once in a while I get this feeling
Now and again I'm all in a daze
Time after time I ask myself this
