The sun is out, the sky is blue
There's not a cloud to spoil the view
But it's raining
Raining in my heart

The weatherman says fine today
He doesn't know that you've gone away
And it's raining
Raining in my heart

Aww, aww misery, aww misery
Aww what's gonna become of me oh woe
I tell myself, my blues won't show but I know
That soon all my tears will flow come a
Raining down, raining in my heart

TURNAROUND

Aww oh aww misery, oh you misery
Aww, what's gonna become of me woah

The sun is out, the sky is blue
There's not a cloud to spoil the view
But it's raining, oh it's raining in my heart
