looks like its over you knew i couldnt stay

shes coming home today

we had a good thing ill miss your sweet love

why must you look at me that way

its oveeeeeeeeeEEEEEEEEr sad eyes turn thee other
way

i dont want to see
you cry

sad eyes you knew thered come a day
when we would have to say
goodbye

try to remember the magic that we shared

in time your broken heart will mend

i never used you you knew i really cared

i hate to see it

have to end

but its oveeeeeeeeeEEEEEEEEr sad eyes turn thee other way

i dont want to see
you cry

sad eyes you knew thered come a day
when we would have to say
goodbye

sad eyes you knew thered come a day
when we would have to say
goodbye

(byyyyye) sad eyes turn thee other (turn thee

other way) i dont want to see you cry (cry cry cry)
sad eyes you knew thered come a day when we would
have to say goodbye
(fade) sad eyes turn thee other way
