Baby, although I chose this lonely life  
It seems it's strangling me now  
All the wild men with big cigars and gigantic cars  
They're all laughing at me now  
Oh I've been used...used...  
I've been a fool...oh what a fool  
I broke all the rules...rules...yeah  
But I must let the show go on

Baby, there's an enormous crowd of people  
And they're all after my blood  
I wish maybe they'd tear down the walls of this theater  
And let me out...let me out  
Oh, I've been so blind, yeah  
I've wasted time, wasted, wasted oh so much time  
Walking on the wire, high wire, yeah  
But I must let the show go on

I've been so blind, oh yes, I've been so blind  
Wasted my time, wasted so much time  
Walking on the wire, high wire, yeah  
But I must let the show go on

Baby, I wish you'd help me escape  
And help me get away  
Leave me outside my address  
Far away from this masquerade  
I've been so blind, oh yes, I've been so blind  
Wasted my time, wasted so much time  
Walking on the wire, high wire, yeah  
But I must let the show go on
