Standing here along with you
Wondiring what it is that I'm supposed to do
And there you are with the love light in your eye

The bridges are burnt down, your arms are open wide
Am I in too deep or should I swim to the shore
Is this the real thing? I don't know but I've never been
here before

And I feel a thunder in my heart
That I just can't control
I feel a thunder in my heart

Should I walk away or follow my soul?
I feel a thunder in my heart
Where it comes from I just don't know
Oh no, oh no

There's a storm ragin' deep in my soul
There's a howlin' wind that I just can't control
There's a fire inside me I can't explain

Every time you touch me my love falls like rain
I've only known you for an hour or more
The time is standin' still, your love has opened up the
door

I feel a thunder in my heart
It takes my breath away
I feel a thunder in my heart

Will I ever be the same?
I feel a thunder in my heart
It's telling me you're here to stay
Oh oh, oh oh, ooh, oh oh

There's a thunder in my heart
There's a thunder in my heart
There's a thunder in my heart
There's a thunder in my heart

Take me baby, I'm all yours

Do just what you wanna do with my love
Let's not let the night overtake us

'Cos what's happening right now
May make or break us do you feel the way I do?
Open up your heart now baby, I'm comin' through

I feel a thunder in my heart
Takin' my breath away
I feel a thunder in my heart

Since, I met you I'll never be the same
I feel a thunder in my heart
I know, you're here to stay

I feel a thunder in my heart
I know, I'll never never control
I feel a thunder in my heart
Baby
