I'm ready
I'm ready now

Don't push it
don't force it

Let it happen naturally

It will surely happen

If it was meant to be.
Don't push it
don't force it

Let it happen naturally

It will surely happen

If love was meant to be.

Patience isn't my best virtue

When I'm in the mood for love

I can't control my passion

I wanna love you all over.

Don't push it
don't force it

...

My nature is high inside

I'm burning about to lose self control

I can't fight this feeling

My love is much too hot to hold.

Don't push it

don't force it

...

If it was really meant to be

Don't push it

It will happen naturally

Don't force it

What will be will surely be

Don't push it

If love was meant for you and me

Don't force it.

Don't push it

don't force it

...

You're the spark
that lights my fire

You set me off to a full alarm

I can't stand anticipation

I'm in the mood to get it on.

Don't push it

don't force it

...
