Freaky freaky baby

I wanta do something freaky to you

Repeat 2x

Your love looks like a mountain

And I'd love to slide down into your canyon

In the valley of love

I wont rest I wont rest until I bring joy and happiness

I wanta do something freaky to you the zodiac sign

I wont quit until I blow your mind

Compatible or not I'll hit the spot

In the name of love with everything I got, oh

I wanta do something freaky to you

Repeat 2x

I wanta do something freaky to you

Repeat 2x

I don't wanna spoil your image of me

But my style of love is totally free

I'll put it where you want it

As long as you need it

I'll make it good and I wont mistreat it

I wanta do something freaky to you
