Yeah, yeah,
It's got to be mellow,
Got to be mellow,

'Cause my baby loves me,
And I'm her only fellow.
Crazy about my baby,
Crazy about my baby,
And it's plain to see
She's crazy about me,
Crazy bout me, yeah.

She's got class
And she's got style,
A personality that drives me wild,
She's not a put-on
And she's not make believe,
She don't mind sharing love so that she may receive.

She's mellow
(Chorus: it's got to be mellow)
Yes my baby's mellow,
(Chorus: it's got to be mellow)
And oh yeah,
(Chorus: she's my baby and I love her)
And I'm her only fellow.
(Chorus: and I place no one above her)
Ooh, yeah, yeah.

It's got to be mellow
(Chorus: it's got to be mellow),
Got to be mellow,
(Chorus: it's got to be mellow)
'Cause my baby loves me
(Chorus: she's my baby and I lover her)
And I'm her only fellow
(Chorus: and I place no one above her),
Crazy about my baby,
Crazy about my baby,
And it's plain to see
She's crazy about me,
Crazy bout me, yeah.

She's alright,
Love is uptight.
