I'm no good at long goodbyes
But baby I can learn
I wanna leave you with the kind
Of exit you deserve
So lock the room and let's turn off all the ringing
phones
Why don't we make it you and me yeah me and you
alone

CHORUS;

See baby all I wanna do is leave my fingerprints on you
I wish we had more than tonight
To do the things we wanna do
I gotta go soon as the sun says hello
Goodbye the moon
So baby all I wanna do is leave my fingerprints on you

I wish I had the power to stop the ticking clocks
I wish I had a little more of every inch you've got
I'm waiting on the world to change
So one day I'll see you again
But now I'll take what I can get
Darlin' until then

CHORUS;

See baby all I wanna do is leave my fingerprints on you
I wish we had more than tonight
To do the things we wanna do
I gotta go soon as the sun says hello
Goodbye the moon
So baby all I wanna do is leave my fingerprints on you

I'm no good at long goodbyes
But baby I can learn
I wanna leave you with the kind
Of exit you deserve

CHORUS;

See baby all I wanna do is leave my fingerprints on you
I wish we had more than tonight
To do the things we wanna do

I gotta go soon as the sun says hello
Goodbye the moon
So baby all I wanna do is leave my fingerprints on you
