Nothing yet
I can delay
Got to bring
It to you everyday
Nothing else
I can recite
Got to bring it to me
Every night
Something so sweet
About it all
Make me feel
Like I'm ten feet tall
And all the things
I'll do for you
There's nothing
That I won't do

Chorus:
As long as you bring
I'll keep right on sync
Yeah, yeah
Bring it on, bring it on
As long as you bring
I'll keep right on sync
Yeah, yeah
Bring it on, bring it on

You got me strung
On up in here
You got me grinning
From ear to ear
Makes me happy
Just to think
You take the holy
With the kitchen sink
They say that you know
What I'm like
But I like it
Even when we fight
'Coz I know
We'll make up soon
Waking up with you

Everyday is june

As long as you bring
I'll keep right on sync
Yeah, yeah
Bring it on, bring it on
As long as you bring
I'll keep right on sync
Yeah, yeah
Bring it on, bring it on
As long as you bring
I'll keep right on sync
Yeah, yeah
Bring it on, bring it on

As long as you bring
Bring it on, bring it on
As long as you bring
Bring it on, bring it on
As long as you bring
As long as you bring
I'll keep right on sync
Yeah, yeah
Bring it on, bring it on

As long as you bring
I'll keep right on sync
Yeah, yeah
Bring it on, bring it on
