CHORUS:

You are flesh of my flesh

Bone of my bone

There's no one closer

You are flesh of my flesh

Bone of my bone

We are one

I do pledge my life to you

Forever and always

I will take good care of you

And shower you with praise

Others try and separate us

But they don't have a chance

No one else can take your place

No not even one

CHORUS

I do give my life to you

Today and everyday

I will stand right by your side

Whatever comes our way

I have searched and searched for someone

Who'd make my dreams come true

Nowhere else on this earth

Is there anyone like you

Instrumental

The storms of life can blow and blow

But they won't knock me down

We'll stand the test

The test of time

Cause we stand on Holy ground.

Chorus
